

Home Learning – Year Four

The children in Year Four have been working incredibly hard at home over the last few weeks. Miss McCarty and Miss Mason are very proud of their classes. It has been wonderful to see the driven attitudes of the children challenging themselves in all areas of their learning. We have also enjoyed seeing all of the fun the children have been having when creating their own Roman Villas and when carrying out their Science experiments.

Here are some pictures of what we have been up to!

We have created miniature gardens!

Bromliey Stone

Henry Hardy

Science activities: investigating pitch of sound through filling glasses with different measurements of water.

Evan Hughes

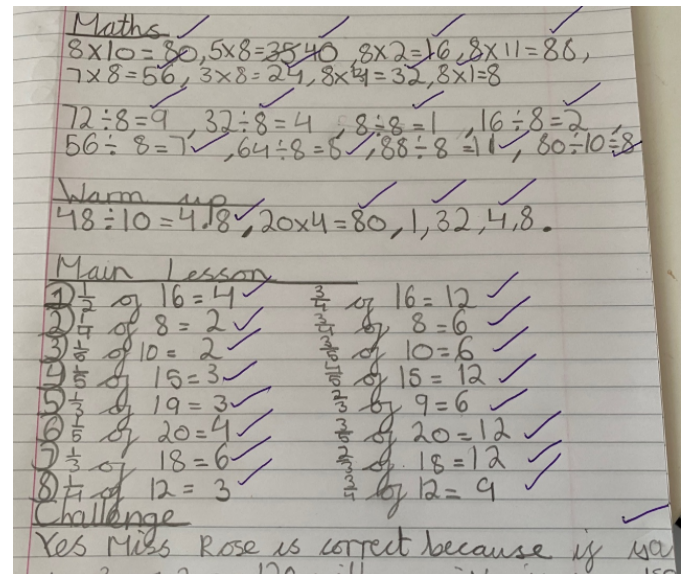

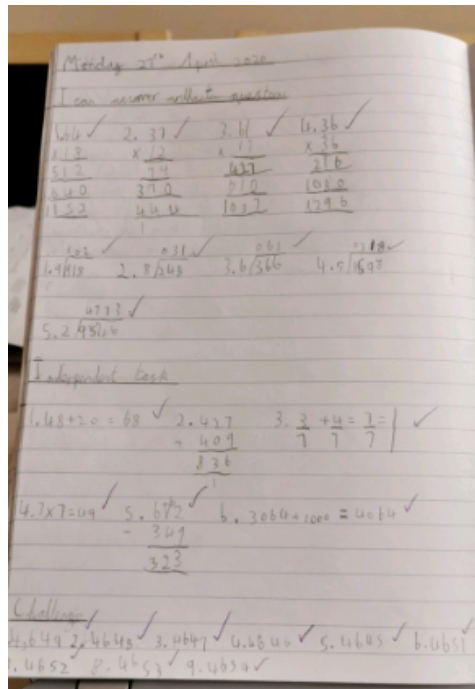

Jamie Richards

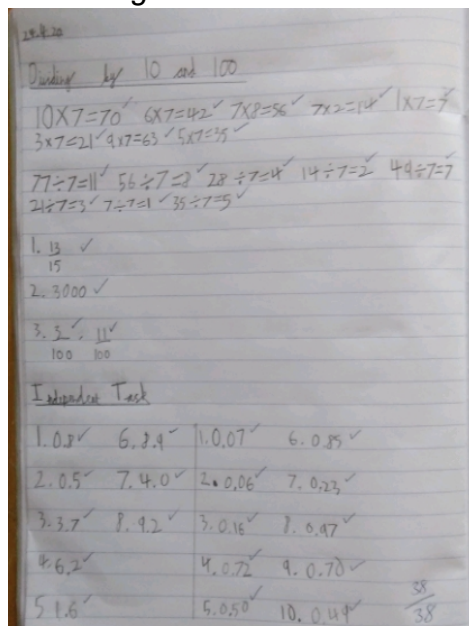

We have been challenging ourselves with our Maths.

Cian Griffiths

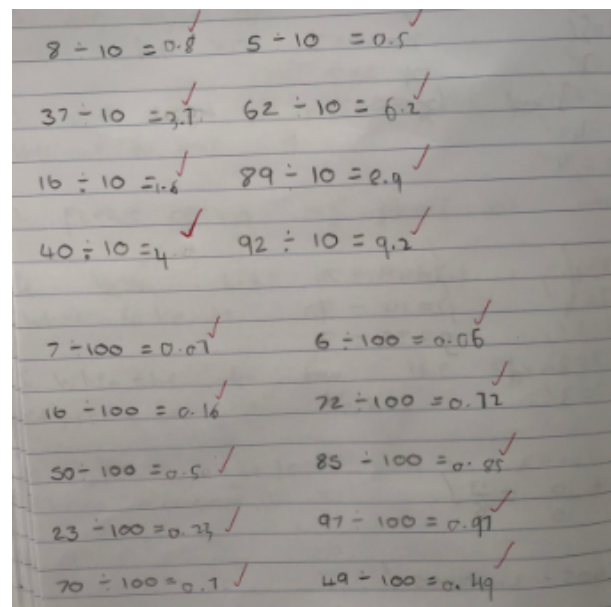

Daisy Baldwin

Evan Hughes

Archie Creighton-Burry

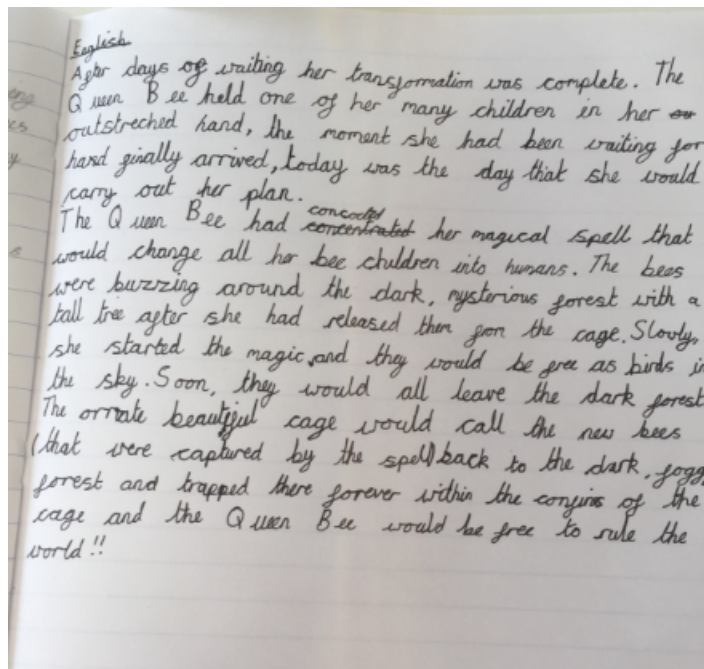

We have been using similes and personification in our writing...

Dylan Parr

Queen bee looked around then she started to change her children to humans. As the moss on the ground crept to her, her hair flew in the wind like a plane. Then her first child was a human, then the next and the next. Her children were now humans...

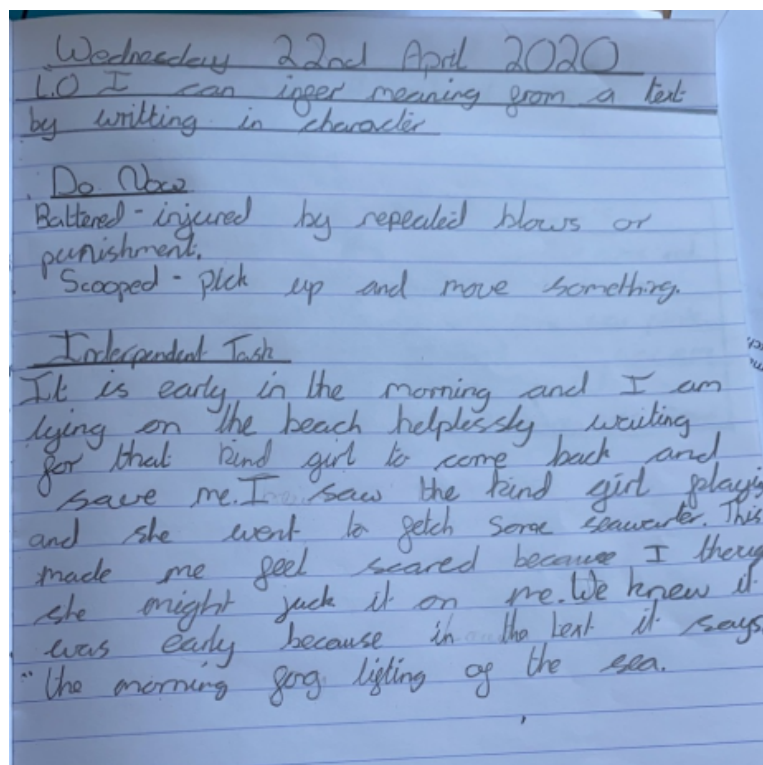

We have been using lots of description in our writing through the use of expanded noun phrases.

Toby Sutton

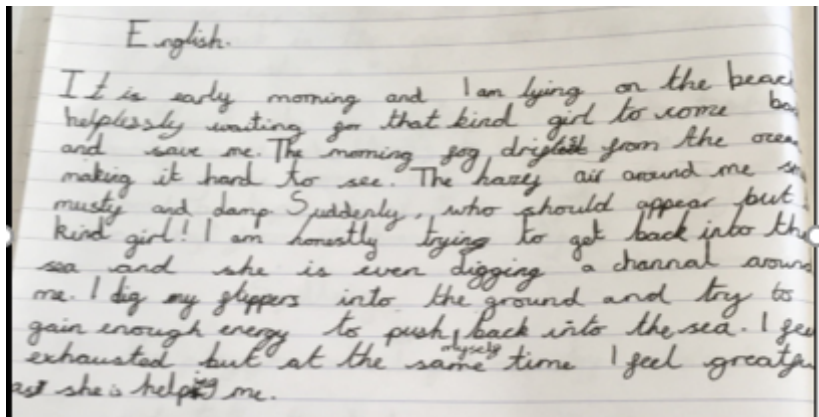

We have written from the view point of one of the characters from our current text - The Wreck of the Zanzibar by Michael Morpurgo.

Tiaamii Estall

Mia Eveleigh

We have had fun creating Roman villas.

Georgie Sherritt

Toby Harvey

Henry Hardy

Lennon Camp

Scarlett Payne

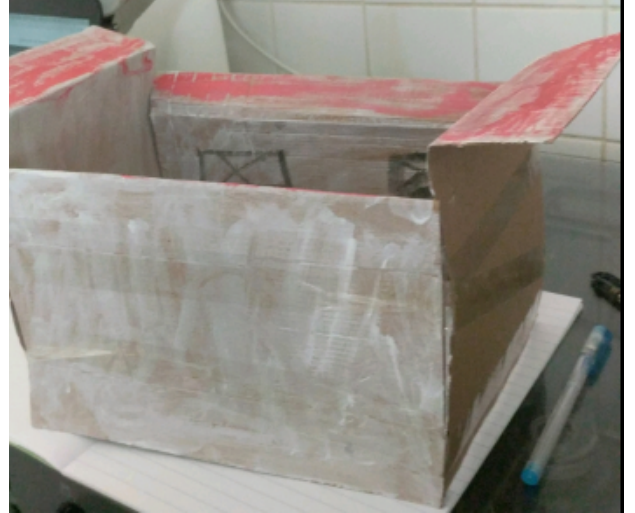

Francesca White

Kingston Caruth

Lilly Smith

Oliver Rowley-Smith
