

Dear Parents/Carers,

There was magic in the air yesterday with Harry Potter Day in full swing! Despite the very wet weather, children and staff embraced the day with lots of creativity and energy! It was great to see so many wonderful costumes on display - please see further photographs enclosed.

Thank you to all those parents who attended this week's reading cafes and &iLearn ipad sharing sessions for pupls in Years 4-6. This is a truly exciting project that we are about to embark on. Thank you for your patience with this as we have worked to overcome some technical barriers beyond our control. Further information is enclosed, with more detail to follow in the coming weeks.

Thank you to those parents who have constructively made us aware about the difficulty in navigating the communication that is coming from school - with the introduction of the School Story adding an extra layer of communication on

top of the newsletter. Communicating messages across a large school community is challenging but please be assured that we are listening and will look into how we can streamline our communication after half term.

We have had a couple of queries relating to a PD day that was cancelled last academic year by the trust - Friday 20th October is the final school day before half term.

If you have any questions relating to your child, or key messages for your class teacher, please do contact them via a message on Class Dojo, or using <u>admin@placefarm.org.uk</u>.

Wishing you a lovely weekend,

Mrs McConnell Head of School

&iLearn 1-1 iPads update

The children are now using their 1-1 iPads in class, and their use will increase over the next few weeks as both the children and the teachers get used to using them in different lessons. We have had a few queries regarding when the iPads will be coming home with the children. We are currently unable to send them home until the children have completed their Pupil Passports (including their E-safety badges). Now that the children are able to use the iPads, we are hoping that this will take a couple of weeks to complete, so the children should be able to bring them home shortly after the half term break.

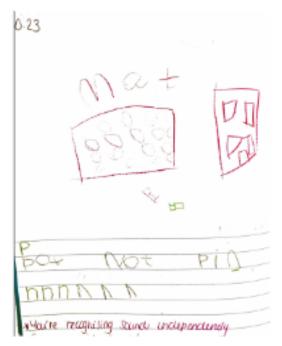

Please see below for a little snapshot of what writing has looked like across the school since the start of the school year:

Year 5 newsletter

In ART, we have been learning about Hundertwasser. The children have created their own ART piece in the style of Hundertwasser with a link to our class novel Shackleton's Journey. Here are some examples of their work:

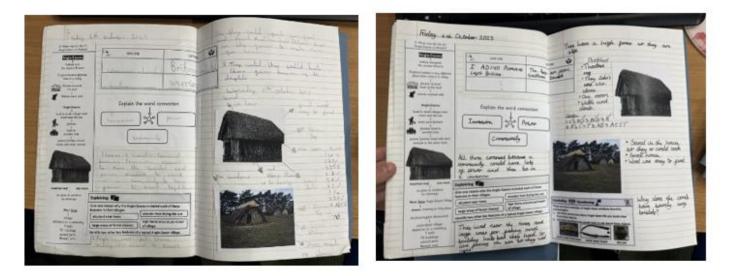

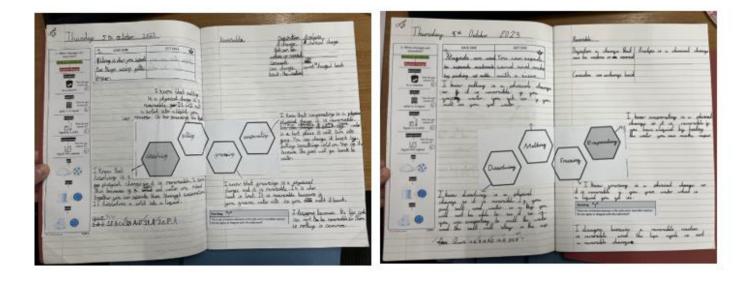

In Maths, we have started learning about timetables and line graphs. The children have practised drawing and plotting their data onto their line graphs. They have also been answering questions based on a graph. Have a look at some of their amazing work:

In History, we have been learning all about the Anglo-Saxons. We have explored where they came from, why they came and how they lived. The children have worked really hard on this. Have a look at some of their examples below:

In Science, we have been learning all about properties of materials. They have been exploring what changes to materials are reversible. They have been brilliant at this, see examples below:

Please see below a little snapshot into the learning that has taken place in Rainbow class this term so far:

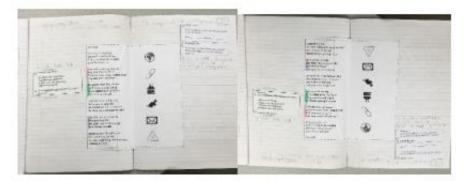

Rainbow Class

We have been very busy in Rainbow Class since the beginning of term.

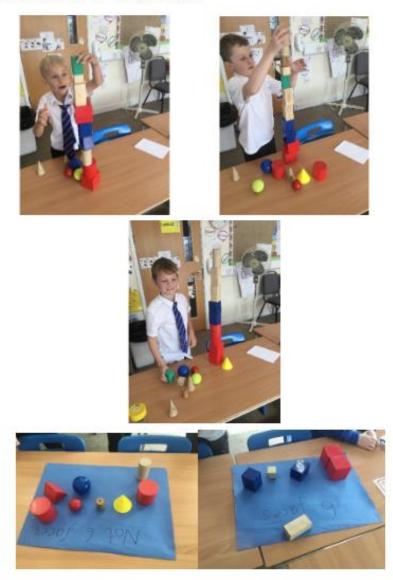

In our Art lessons, we have been finding out about some famous artists including Picasso and Van Gogh. We looked at examples of their work and had a go at painting our own selfportraits, which I think you'll agree look amazing!

In our reading lessons we have been focusing on Poetry. We have done some work on the poem 'Chocolate Cake' by Michael Rosen and we have written our own ode about a soft toy.

In Maths, the children have been exploring 3-D shapes. They sorted 3-D shapes into categories depending on number of edges, vertices and faces. The final challenge was to see who could build the tallest 3-D shape tower!

Harry Potter Day!

Harry Potter Day was a huge success. There were some amazing and creative costumes on display – here are just a sample!

Reading Volunteers:

We are reaching out and looking for volunteers to come into school and listen to children read from different year groups.

This can be for an hour an afternoon or the whole afternoon – whatever availability you have will be a huge help to our readers.

There is a recruitment process to follow and therefore if you are interested please email <u>admin@placefarm.org.uk</u> with the subject: Reading Volunteer.

If you have any questions please do message Miss Jenkins on Class Dojo.

Thank you so much for your support with developing children who love to read! ☺

A weekend story/ poem from Miss Jenkins

Take a moment this weekend to sit and read the story/poem below. Discuss with your child/children the meaning behind the text. What have they learnt? Can they write something similar following the same structure/ story line? If they do come up with something amazing, please send it my way so I can display it in the library ©

Song of the Kite

I'm a space-hopping, flip-and-flopping, dipping, diving kite!

Up-and-over, looming, zooming . . . Race me through the night!

Blow me, throw me, on my windy way! Dipping, diving, looming, zooming . . . Chase me through the day!

October Half-Term Information

September 2023

Dear Parent/Carer

Suffolk County Council (SCC) is pleased to confirm a further discretionary grant is available to support low-income families over the October half term. The grant will be issued as a £15 supermarket voucher for each eligible child and is designed to help families with their essential living costs during the school holiday.

We have been informed that our supermarket voucher provider company 'Sodexo Motivation Solutions UK Limited' will be changing their company name to 'Pluxee UK LTD'. The process of issuing the discretionary grant vouchers will remain the same and this is purely a name change for the provider. We anticipate this change will be in place for the October half-term issue of vouchers.

As with the summer school holiday issue of vouchers, the SCC Free School Meals (FSM) team will place the voucher order using the information provided by your child's school.

Could we please also ask that you ensure that your child's school holds the most up to date contact information for you, to ensure that the voucher is sent to the correct recipient.

We aim to have all vouchers sent to recipients by Friday 20 October 2023. If you have not received the vouchers by this date or in the event of any queries regarding the vouchers, then please contact our team at freeschoolmeals@suffolk.gov.uk rather than speaking to the school directly.

Please note, that if you have children who attend different Suffolk schools, you may receive your vouchers at separate times before the start of the school holiday.

Please look out for an email from <u>noresponse@vouchers.sodexoengage.com</u>, and please also check junk and spam folders before contacting us directly.

The voucher must be redeemed before the expiry date as failure to redeem by that date will mean you cannot be reissued, and you will lose access the grant.

We hope that this discretionary grant goes some way to help in supporting your family during the school holiday, whether buying food or freeing up some income to go towards energy and water bills or other essential living costs. If you are financial struggling and require additional support, further information can be found at: www.suffolk.gov.uk/community-and-safety/communities/healthier/cost-of-living-support/.

Yours faithfully

Suffolk County Council
