Friday 15th November 2024

Dear families,

It has been wonderful welcoming you all back to school this week - we hope you have all enjoyed a restful half term.

The children have returned to school beautifully - wearing their winter uniforms with pride, and demonstrating our PROUD values in all that they do.

Special mention to Year 6 this week, who behaved impeccably on their trip to the Imperial War Museum at Duxford - representing the school brilliantly amongst other schools and the wider public.

Last week we trialled the running of our October half term childcare provision. This was hugely successful and the children who joined us from Place Farm and Coupals enjoyed a range of wonderful activities - thank you to Mrs Polley, Mrs Hobbs and Prestige for their support with this. Please see photographs enclosed - we will be seeking feedback from those families who attended.

Unfortunately, I am required to once again warn about parking along the road outside the front of our school, ambulance building and the Churchill homes. This area is a small access road, clearly marked with double yellow lines, with restricted space for the manoeuvring of vehicles. Parking along this road prevents our staff from being able to access and leave the site safely, and also places our children at risk as they travel to and from the school. We appreciate that parking is limited around school sites, however we urge you once again to consider the safety of families and ask that you kindly park elsewhere. Thank you for your support with this.

Kind regards,

Mrs McConnell
Head of School

Celebration Assembly

Congratulations to everyone who received a certificate in celebration assembly this week. We had lots of children receiving their coloured certificates today and some children receiving their PROUD certificates.

We also had several pupils who were celebrated for their outside of school achievements.

The AR Word count champions for this week were 6EJ, the AR Quiz champions for this week were 3KM and the most improved readers were 6SL.

We are also continuing to celebrate maths achievements on tt rockstars. This term, we are presenting certificates to the child in Years 2, 3, 4, 5 and 6 who achieved the most coins in their year group, as well as certificates for the three children who had the biggest increase in their times table recall speed. We also celebrated the problem-solvers of the week in Year 1 and Rainbow class.

Times table knowledge and fluency are so important in many areas of maths. Please continue to encourage your children to use tt rockstars at home. Thank you for your ongoing support with this.

Attendance

In celebration assembly each week, we also celebrate the classes with the best attendance of the previous week. Attendance is vitally important to a child's success both in school and in later life.

In 3rd place we had 6EJ with 98%
 In 2nd place we had 4RG with 98.4%
 In 1st place we had 1ES with 99.2%
 Whole school attendance was 94.6%

Year 6 Trip to Duxford Imperial War Museum

The children enjoyed viewing the hangars and taking part in a documentary session where they recorded one another talking about the displays. The children were all beautifully behaved and represented the school fantastically. Miss Jenkins and Miss Lister were so proud! ☺

October Half-Term Provision

We had a lovely week at Place Farm during the new October half-term provision. The children all behaved impeccably and had a calm and relaxing week. Feedback from both children and parents has been very positive. The children enjoyed an action packed week with a variety of activities. Please see below for a little snapshot into the week:
