Friday 17th May 2024

Dear Parents/Carers,

This week has been Year 6 SATs week and we could not be more proud of how the children have approached the week: demonstrating great maturity, stamina and positivity. Each and every child gave their very best! Huge well done and thank you, parents and families, for all the support and encouragement that you have provided.

Our staff have also pulled out all the stops this week, as always, to create the very best conditions possible for the children to focus and try their best. I'm sure you will join me in thanking them too for all their support and commitment.

You will recall that we have previously sent communication out regarding expressing an interest in the wraparound care that we are looking to provide during the additional week of October half term. This was also provided during parents' evenings. Plans are in preparation for this and we will be in touch soon with an update.

As always, thank you for your continued support of our school. If you have any questions relating to your child, or key messages for your class teacher, please do contact them via a message on Class Dojo, or using admin@placefarm.org.uk.

Wishing you a lovely weekend,

Mrs McConnell
Head of School

Year 6 SATs

SATs are done – yippee! 😊

The Year 6s have worked incredibly hard completing their SATs this week. Miss Lister and Miss Jenkins are so proud of each and every one of them. They are now looking forward to carrying on with lots of the other subjects and enjoying the last couple of months before they move on to secondary school.

Celebration Assembly

Congratulations to everyone who received a certificate in celebration assembly this week. We had lots of children receiving their coloured certificates today. We also had children receiving their PROUD certificates.

We also two pupils celebrated for their achievements outside of school and one pupil receiving their pen license.

We are also continuing to celebrate maths achievements on tt rockstars. This term, we are presenting certificates to the child in Years 2, 3, 4, 5 and 6 who achieved the most coins in their year group, as well as certificates for the three children who had the biggest increase in their times table recall speed.

Times table knowledge and fluency are so important in many areas of maths. Please continue to encourage your children to use tt rockstars at home. Thank you for your ongoing support with this.

Music at Place Farm

Music is really starting to develop at Place Farm. The whole school have been developing their skills in rhythm, and with Key Stage 2 also learning how to read music on a stave.

In the Music Hub, there are displays to help with these skills, which you can see to the right.

Rhythms displayed on red are based on KS1 children

Rhythms displayed on blue are based on KS2 children.

Each week, we have a whole school singing assembly. Please see a link to one of the songs that we have been singing and please feel free to have a sing-a-long at home.

[Bruno Mars - Count on Me \(Official Lyric Video\) - YouTube](https://www.youtube.com/watch?v=LB8F852qJsU&list=PLxpjNkTs16fyipiM3EcZPScKc_hf4DtVp)

During singing assembly, we share and learn about a composer of the month and this month we are listening to music by Gustav Holst. Please use the link below to hear a sample of his music:

https://www.youtube.com/watch?v=LB8F852qJsU&list=PLxpjNkTs16fyipiM3EcZPScKc_hf4DtVp

We have been expanding our extracurricular activities, and the Music hub now runs two lunchtime choirs, a brass group and an afterschool music club for KS2 children.

On the 5th July, we will have a small performance at school, in the afternoon at 2pm, for parents and carers of the children involved in these extracurricular activities. More information about this will be shared soon.
